These classes of positions shall constitute the Classification Plan for the paid Town service within the meaning of Section 108A of Chapter 41 of the General Laws, as amended.

SECTION 3. NEW OR CHANGED POSITIONS

Whenever a new position is established, or the duties of an existing position are so changed that in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall allocate such new or changed position to its appropriate class, as hereinafter provided.

SECTION 4. TITLES OF POSITIONS

(a) The title of each class, as established by the Classification Plan shall, except as otherwise provided herein, be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position.

(b) If, in the instance of any position subject to the Civil Service Law, a different title for the position shall be established by the Director of Civil Service, such title shall be the official title of the incumbent of said position and shall be used, in lieu of the title described above, on all payrolls, budget estimates, and other official records and reports pertaining to the position.

SECTION 6. CLASS DESCRIPTIONS AND INTERPRETATION

The Personnel Board shall maintain written descriptions of the position classes in the Classification Plan, each consisting of a statement describing the essential nature of the work characteristic of the class that distinguishes the class from others. The description for any class shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be, or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

SECTION 7. COMPENSATION PLAN

a) The Compensation Plan shall consist of Schedules A through D in Section 12 which provide minimum and maximum salaries or wages or single rate salaries or wages for the position classes in the Classification Plan. b) Upon receipt of a signed petition proposing such an amendment, the Board, after giving the petitioners, department heads, and employees affected at least three days' written notice, shall hold a hearing of the parties interested to consider the proposed amendment. SECTION 9. PERSONNEL BOARD

Any vacancy shall be filled by the moderator. Each member shall continue to hold office until his successor has been appointed and qualified.

The Director shall report to the Board in writing any interpretation he makes in any area where this by-law is not reasonably clear in his opinion. Nothing in this paragraph is intended to confer jurisdiction of the Town Manager over other Appointive Authorities or their functions or to rescind the right of any department head or employee to seek the opinion of the Personnel Board in respect to this by-law, and the finding of the Board shall prevail.

SECTION 13. INITIAL ADJUSTMENT OF SALARIES AND WAGES

a) Upon the adoption of this bylaw by annual or special town meeting which has been held on or before April thirtieth, salary and wage rates shall be adjusted effective May first of the year of adoption to the rates set forth in Section 12 based on the prior service of the employee according to the provisions of Section 14 and 15, subject to the following exceptions:

1. No employee's salary or wage rate shall be reduced as the result of the installation of the schedules appearing in Section 12.
2. If an employee's rate at the time of the adoption of the Compensation Plan is above the rate to which he would be entitled by the provisions of Sections 14 and 15 but is within the range of the Compensation Grade to which his position class is assigned in Section 12, this rate shall become an Interim Personal Rate which shall be adjusted to the next step rate or to the maximum rate of the Compensation Grade when the subject employee becomes eligible for this adjustment according to the provisions of Section 14 or Section 15.
3. If an employee's rate at the time of the adoption of the Compensation Plan is above the maximum rate or single rate provided for his position class in Section 12, this rate shall become a Personal Rate and as defined in Section I shall apply only to the subject employee. The rate shall apply to the incumbent at the time of adoption of the Compensation Plan but not to the position. When the incumbent leaves the employ of the Town, or is transferred to a position in another classification or a new maximum rate for the Compensation Grade to which the employee's position class is allocated is established which is higher than the Personal Rate, the latter rate shall disappear. No other employee assigned to, or hired for the position shall advance beyond the maximum rate of the range to which the position class is assigned.

b) The intent of the method of adopting the schedules set forth in Section 12 is that

employee's salary or wage rates shall be adjusted effective May first of the year when the Compensation Plan is adopted to the rate which each individual employee would have attained had the schedules been in effect forty-two months prior to the adjustment date, except that employees in part-time employment shall not be subject to the limitation set forth in Section 15 (b) for this initial adjustment.

SECTION 14. NEW PERSONNEL

a) The hiring rate shall be the minimum rate of the range of the position class for which the new employee is hired, except that when the Department Head and the Personnel Board agree that a new employee has had sufficient experience in the same or similar type work, said new employee may start at such higher rate within the range as the Personnel Board may consider appropriate.

b) For new personnel, the first six months of full-time or part-time employment shall be a probationary period, at the end of which the employee may advance one step rate, provided the Department Head and the Personnel Board decide his performance warrants it. Otherwise, his rate shall again be considered after one year of continuous full-time service. A new employee not recommended for an increase following six months' service shall have the right of appeal to the Personnel Board as provided in Section 15.

SECTION 15. ADJUSTMENT POLICY

a) Employees in full-time employment of the Town who have a satisfactory performance record shall be eligible annually, one year from the date of the latest increase, for consideration for advance to the next higher step rate until the maximum for their respective position classes is reached, subject to the approval of their Department Head and the Personnel Board.

b) Employees in part-time employment shall be eligible for consideration for increases on the same basis as provided for employees in full-time employment.

c) Any employee denied such an increase has the right of appeal to the Personnel Board, which shall confer with both the employee and the Department Head before taking action.

d) Under most unusual circumstances, involving such matters as highest qualifications, performance and good of the service, a one-step increase may be granted within a twelve-month period. All adjustments shall be approved in advance by the Board. If an employee receives such an increase, his anniversary date is to remain unchanged.

e) The Personnel Board shall place Student Engineers on appropriate steps of compensation, Grade M- 1, as set forth in the Miscellaneous Compensation Schedule.

SECTION 16. TRANSFERS AND PROMOTIONS

a) When an employee is promoted to a higher-rated position, he shall enter it at the minimum rate of the range for the appropriate compensation grade, or at the step-rate above his present rate, whichever is higher. He may receive an additional one step-rate increase at the time

if the Department Head feels that qualifications and performance warrant it and the Personnel Board approves.

b) If an employee should be transferred to a lower rated position, he shall enter it at his own rate which may become an Interim Personal Rate or at the maximum rate of the position, whichever is the lower. The Personnel Board may, in exceptional circumstances, such as the elimination of the employee's former position, permit the employee to enter such lower rated position at a Personal Rate.

c) If an employee, at his own request, is transferred to a position in the same or a different department which is allocated to a different classification but which is the same occupation group, he shall be paid the rate of the same step in the compensation grade to which his new position class has been allocated. If such a transfer is to a position class in a different occupation group, his entrance rate will be determined by the provision of Section 14. The following occupational groups are recognized for this purpose:

Labor Group (except Custodians)
Clerical Group (including Library Assistants)
Police Group (Patrolman)
Fire Group (Firefighter)

SECTION 17. DEPARTMENT BUDGETS

Each Department Head shall include in the departmental budget a pay adjustment section to provide funds for anticipated pay adjustments during the year, expenditures to be made therefrom only in accordance with the Compensation Plan, with the approval of the Personnel Board.

SECTION 18. VACATION LEAVE

- a) Vacation leave shall be granted to personnel in full-time or part-time continuous employment as follows:

Persons with 20 years of continuous service, or over - 25 days

Persons with 10 years but less than 20 years of continuous service - 20 days

Persons with 5 years but less than 10 years of continuous service - 15 days

Persons with 1 year but less than 5 years of continuous service - 10 days

After the initial 2 months of employment an employee earns vacation leave at the rate of one day for each succeeding month of employment.

Persons employed less than 5 days a week will accumulate vacation leave on the basis of the above schedule in any amount wherein the number of days the person works is proportional to 5 days per week. The length of continuous service shall be

computed as of May 1 of the current year, provided that no employee shall receive less vacation leave than he would be entitled to on January 1, 1966.

(The foregoing vacation schedule applies to the employee's length of continuous service as of May 1, 1975. Employees in recognized collective bargaining units are excluded from this vacation schedule.)

b) (Deleted 3/19/62)

c) The assignment of vacation periods within any vacation year shall be scheduled by Department Heads subject to the approval of the Appointive Authority for such time or times as best serve the public interest. Preference should be given to employees on the basis of their years of employment, wherever possible. Vacation allowance may not be accumulated from one vacation year to another except when, in the opinion of the Appointive Authority, it is impossible or impractical because of work schedule or other emergencies to do otherwise, and in no event shall a vacation period be accumulated for more than one calendar year.

d) Absences on account of sickness in excess of those authorized or for personal reasons not provided for under the regulations of the Town, may, at the discretion of the Appointing Authority, be charged to Vacation Leave.

e) Whenever employment is terminated by retirement or dismissal through no fault or delinquency on the employee's part, or by death, without his having been granted a vacation to which he is entitled, he, or in the case of death, his estate, or personal representative shall be paid vacation pay at the regular rate of compensation payable to him at the termination of his employment. If an employee terminates his service prior to May 1 he shall receive vacation leave in proportion to the period of time employed since the preceding May 1.

f) If a holiday falls within the vacation period, it shall not count as part of vacation allowance and, for the purpose of this Section, holidays which fall on or are celebrated on Saturday or any other day not regularly worked, shall not count as holiday credit.

g) The maximum number of hours credited in any day of vacation shall not exceed the number of regularly scheduled hours, exclusive of overtime, which otherwise would have been worked if vacation leave had not been taken.

h) Notwithstanding the aforementioned sections, the vacation leave for department heads hired after July 1, 1988 shall be determined by the appointing authority subject to the approval of the Personnel Board. Said vacation leave shall not exceed the maximum amount of vacation leave set forth in Section 18b.

SECTION 19. SICK LEAVE

a) Effective July 1, 1983, personnel in full or part-time employment occupying positions subject to this bylaw shall have a choice of two (2) sick leave plans.

b) Prior to January 1, 1984, each employee covered under this bylaw shall inform the

Town Accountant, in writing, as to the plan under which the employee wishes to be covered. Coverage under Plan No. 2 shall become effective as of January 1, 1984. An employee who has selected Plan No. 2 cannot convert to Plan No. 1 at a later date. An employee choosing Plan No. 1 may convert his or her coverage effective January 1 of any subsequent year to Plan No. 2. All employees hired after July 1, 1983 are required to be covered under Plan No. 2

Plan No. 1 - Accumulated Sick Leave

a) Personnel in full-time or part-time employment occupying positions subject to this bylaw hired before July 1, 1983, and covered under this plan shall begin to accumulate sick leave credit on the first day of the month following such employment, and such credit shall accumulate at the rate of 1-1/4 days per month not to exceed fifteen (15) days per year. Sick leave shall accumulate from year to year, and employees may accumulate sick leave credit at the rate of 1-1/4 days a month to a maximum accumulation of one hundred twenty (120) days.

It is understood that sick leave is a benefit to an employee only during periods of illness or disability and as such cannot presently or at some future date be converted into some other form of employee compensation or transferred to some other employee.

b) Sick leave accumulated for service prior to the date of adoption of this bylaw shall be as recorded in the records of the Town Accountant.

c) Employees injured in the performance of their assigned duties receiving Workmen's Compensation may, upon request, be granted such sick leave allowance payment as will, when added to the amount of Workmen's Compensation, result in the payment to them of their full salary, provided they have earned such sick leave credit.

Plan No. 2 - Disability Income

a) Personnel in full-time or part-time employment occupying positions subject to this bylaw prior to July 1, 1983, electing coverage under this plan shall receive on January 1 of the year in which their coverage becomes effective a one-time sick leave credit in the amount of five (5) days.

b) Personnel in full-time or part-time employment occupying positions subject to this bylaw hired after July 1, 1983, shall receive no sick leave credits for the first two (2) months of employment. After the first two (2) months of employment, an employee earns a one-half (1/2) day of sick leave credit for each successive month, not to exceed five (5) days, until January 1 of the following year.

c) All personnel subject to this plan shall receive yearly sick leave credits in the amount of five (5) days effective January 1.

d) For extended absences due to sickness or non-industrial injury, an employee becomes eligible for disability coverage on the sixth (6th) consecutive work-day an employee is absent. The Town will pay eighty percent (80%) of regular weekly compensation retroactive to the first day of the employee's absence for a period of time not to exceed fifty-two (52) weeks

plus the number of sick leave days accumulated by the employee, under Plan No. 1, if any. Said sick leave credits shall be determined from the records of the Town Accountant. An employee who qualifies for this disability plan and who has used sick leave credits in the initial days of the absence will be given credit for all of those days used for that particular absence less one. Under no circumstances shall an employee receive disability benefits for the same day(s) for which sick leave credit was used.

e) An employee who has utilized disability coverage under this plan shall, upon termination of said coverage, be ineligible for future coverage under the disability provisions of this plan until he or she has had twenty-one (21) consecutive days in a payroll status. An employee who experiences the recurrence of a sickness or non-industrial injury for which he did not exhaust his disability coverage and who fails to satisfy the 21-day requirement shall be eligible for coverage under section (d) for a period of time not to exceed the balance of the initial coverage.

f) An employee must be under the care of a physician to receive disability benefits.

g) On December 31 of each year, eligible employees have the option of receiving one (1) vacation leave day, or portion thereof, for each day, or portion thereof, of unused sick leave days, one (1) sick leave day, or portion thereof, for each day, or portion thereof of unused sick leave days or of being paid a bonus equal to one day's pay for each unused sick leave day, or portion thereof, to a maximum of five (5) days. Vacation leave days resulting from unused sick leave days cannot be carried beyond one year except as provided in Section 18c. Unused sick leave bonus payments shall not be considered as regular compensation.

h) Notwithstanding the aforementioned provisions, employees injured in the performance of their assigned duties which injury qualifies them for Worker's Compensation shall receive one (1) week of additional compensation for each three (3) months of continuous service up to a maximum accumulation of fifty-two (52) weeks. Said additional compensation when added to the amount of Worker's Compensation, shall result in the payment to the employee of his or her full salary.

i) Notwithstanding the aforementioned sections, department heads hired after July 1, 1988 shall receive a one time sick leave credit not exceeding five (5) days, determined by the appointing authority subject to the approval of the Personnel Board.

The following paragraphs are applicable to both sick leave plans.

a) Sick leave with pay shall be granted to employees only when they are incapacitated for the performance of their duties by sickness, quarantine by health authorities or to supplement worker's compensation payments.

b) Sick leave shall commence on the day notification of the illness is given by the employee, his family, or his physician. Notification shall be given within one hour from the regularly appointed starting time to the Department Head, except that when such notification is clearly impossible or impracticable, reasonable leeway shall be permitted.

c) For absence on account of sickness, the Department Head or the Personnel Director may require evidence in the form of a certificate acceptable to the Director for the necessity for absence, such certificate to give the nature of the illness and the expected duration. If such certificate is not filed after request therefor, such absence may be applied, at the discretion of the Director, to vacation leave or leave without pay. In any continuous period of sick leave the Director shall require such certificate at the end of one week of illness and subsequent certificates may be required at the discretion of the Director. At any time the Director may select a physician to examine the employee at Town expense.

d) Employees whose services are terminated for any reason shall not be entitled to compensation in lieu of any sick leave not taken. No sick leave credit for prior employment shall be allowed to employees rehired or reinstated after a termination of service other than an approved leave of absence.

e) Members of the Police and Fire Departments, except clerical employees, injured in the line of duty shall be paid in accordance with the provisions of Mass. General Laws Chapter 41, Section 111F, and such absence shall not be charged to sick leave credit provided, however, that when an employee receives compensation for lost time from insurance carried by the Town, the amount so received shall be considered as part payment toward injured on duty leave pay.

f) Every department of the Town shall keep a uniform attendance record on such form as approved by the Personnel Director and the Town Accountant for each employee including sick leave, both approved and used. Information on such records shall be transmitted by the Head of the Department to the Director at his request, and shall be available for examination by the Personnel Board.

g) The provisions of this section shall not apply to employees holding temporary seasonal positions.

SECTION 19A. WORK INCENTIVE PROGRAM

a) The fiscal year shall consist of four incentive periods:

- Period one - July 1 through September 30
- Period two - October 1 through December 31
- Period three - January 1 through March 31

b) Any full-time employee subject to Plan No. 1, accumulated sick leave, who has not utilized sick leave within any given incentive period, shall be paid the sum of fifty dollars (\$50).

c) Part-time employees who are employed for at least twenty (20) hours per week shall be paid fifty percent of the work incentive bonus.

d) Work incentive bonus payments shall be made during the month following the ending date of an incentive period.

SECTION 20. HOURS OF WORK AND OVERTIME.

a) Employees in the Police and Fire Departments are specifically excepted from this section, with the exception of clerical or other non-uniformed personnel.

b) For the purpose of this section, twenty-four (24) consecutive hours commencing at midnight and ending the following midnight shall be known as a "day." Seven consecutive days, Sunday through Saturday, shall be known as a "week." Any time, during which an employee is required by proper notice to perform official duties in excess of 8 hours in any one regularly scheduled working day and all time on a non-scheduled working day shall be known as "overtime."

c) Whenever the Head of any Department shall find it essential to the convenience of the Town that any employee should perform duties in excess of his regularly assigned hours, he shall make known this fact to the Appointive Authority, and shall request authority to direct the performance of duties in excess of the regularly assigned hours for such specific situation.

d) Overtime shall not be performed in any department unless approved in advance by the Appointive Authority except that, if by reasonable effort, the Head of the Department has been unable to make his request and an emergency exists, he may require the performance of emergency overtime duty, provided he transmits to the Appointive Authority at the earliest practicable time a report in writing of the action taken.

e) A Department Head shall not request or require any employee to perform duties in excess of 16 hours in any one day, nor shall he enter any employee on any payroll in pay status in excess of 16 hours in any one day, nor shall the Town Accountant approve pay in excess of 16 hours in any one day. A Department Head shall not request, require, or permit any employee to perform duties on any day if by so doing the employee is to be entered on any payroll in a duty status concurrently with an entry on the same or another payroll in a vacation leave or sick leave status in excess of an aggregate of 8 hours in any day without written permission of the Appointive Authority. The provisions of this paragraph shall not apply in the case of an emergency as determined by the Town Manager or the Acting Town Manager.

f) Except for employees whose duty tour encompasses a regular work week which may be, e.g. 40 hours (as for a custodian) or 37-1/2 hours (for a clerk), the Head of the Department shall enter on the payroll the total aggregate hours for which compensation is claimed in each work week. Employees occupying positions for which compensation is determined at hourly rates shall receive overtime at one and one-half times regular hourly rates after 8 hours per day or 40 hours per week; for employees occupying positions for which compensation is determined at weekly rates, the payroll shall so indicate except that overtime shall be stated in extra hours worked, and be compensated for at straight time rates when the total does not exceed 40 hours. Overtime compensation in excess of 40 hours weekly shall be at one and one-half times regular rates. When overtime compensation is payable at one and one-half times the regular rate, the overtime rate shall be calculated in accordance with the Fair Labor Standards Act.

g) An employee recalled to duty because of an emergency shall be credited with not less than 2 hours for such recall duty. Compensatory time off for such overtime may be allowed if agreeable to the employee and his Department Head.

h) Compensation of Department Heads shall be deemed to be complete compensation without regard to any excess hours of duty, and such personnel shall not be entitled to overtime.
